Yeah, I lived around Kaiserslautern as my dad was U.S. Army, we found some pretty cool stuff in the woods sometimes, once I remember there was an old metal crate with the Iron Cross on it.. it's amazing when you think how long ago things date back.

Its a nice City (about 50km far away). I think u lived in Ramstein

The Bunker that me and my Friends open has some "hakenkreuze" on the walls.

They are called swastika too.

In our town we got some bunkers too, but they arent WWII ones, they are from a Firework Factory that isnt located there anymore, because it went on fire.
