This is me today up the mountain on my crosser. It hasn't snowed like this in years since I was like 5 and im 21 now so I went up the mountain with my Dad to have some fun.

The snow got to just below my knees in places, sometimes my entire wheel just disappeared in the snow.

Good times

Edit:

Have another pic:

Edit 2:

You can see where the snow was up to, I got half of the mountain stuck to my engine LOL.
