Personally I think it's no huge deal (but I acknowledge that it has an \*effect\* on gameplay), and am just seeing people saying "Well I'm a little disappointed you included this but oh well." That doesn't qualify as a shitstorm in my opinion, and it wasn't a shitstorm until Bluethen raged about it.

Yeah, I did read your post. You blew it out of proportion and essentially brought the argument from another thread into this one.
