Not to take sides, but have you seen him be a moderator anywhere else? He does an excellent job at Rp2, and has for a few years now.  
Not saying hes bad I know hes a great mod over there but iv seen some stuff here that most mods would not do

- edithing other post with rude things
- locking every topic that does not need to be locked (spam fest or not)

and ya

well maybe its just the spam fest

if hes does that stuff only in spam fest then id say he be a great mod and other parts of the fourms

It's Spam Fest. Nobody takes that place seriously. If elected Global Moderator by this glorious republic, I wouldn't do crazy shit to the normal forums.

And thats all I wanna hear but its not up to me
