Lone0001 wrote on Tue, 03 February 2009 00:45@danpaul: is that stack of diet cokes there permanently because I swear every picture I see of that desk has those cans on it(or is it the same picture?)?

Well... it's always a different set of cans, I do recycle them every week or so, it just happens that every time someone posts one of these threads I have not recycled them for a few days

Caveman wrote on Tue, 03 February 2009 08:34Dan is a diet coke junkie them cans you see there are probably his hourly consumption.

Yeah, I drink way too much Diet Coke, and that stack does not include the 2 or 3 bottles I have at work every day! The stack in the picture is probably 3 or 4 days worth though ^^
