ChewML wrote on Thu, 05 February 2009 15:28lol, that is so cool looking, but maybe a lil smaller? kinda looked a bit bigger than the box was. good job though

I measured it with the box. The box was:

- Height: 2
- Width: 2
- Length: 2

I created a new box with those dimensions and scaled the harvester to the size of the box. It might look bigger, but actually it's the exact same size
