Goztow wrote on Wed, 04 February 2009 02:30 Even though i appreciate canadacn a lot and that he has a valid point about timezones, I personally don't think we need more moderators.

We've come from a period where there was hardly any moderating at all to a period where there's a good staff that reacts within hours (sometimes even within minutes). I've noticed change on renforums, I believe in change, change I believe in!  
psst, obama changed us.
