Subject: Gameplay is Pending and no floor Posted by sauron--the--king on Fri, 06 Feb 2009 10:51:14 GMT View Forum Message <> Reply to Message

Hello,

I was editing the level M08. At the start I wanted to test it right away. The map is called C&C\_Prison\_Break, so I saved it in LE and exported it as "C&C\_Prison\_Break.mix". When I started Renegade, I went to Lan and adjusted the settings. A made some screenshots of this. Than I selected the map and started it. There was no floor and "Gameplay is Pending". You just fall in to the nothingness. So can anyone help me with getting these 2 things right? Kind Regards, Brian
