lol you know what i think is funny i uploaded like 20 things on there and you pmed me saying you will add my stuff but never did like 2 months later i upload a couple more things and some people post saying good job and stuff but never gets added.

I know this is not part of applying but i have html coded in my past and i have had alot of experince with sites and skins i have expirience with winrar and i know how to upload images
