GT41 wrote on Thu, 26 February 2009 15:37Hi i was wondering if anyone knows a place where you can download the original westwood maps but with AI bots added to them. I have found some good AI maps but atm only people with them maps can join if the are the westwood maps edited everyone could join without having to download the maps themself.

Please help if you can

as far as I know, all westwood maps will have bots with TT-patch comming "soon". nobody knows, what "soon" means ATM.
