Nod recently done up the interior for all of their buildings.

Toggle Spoiler

Hand of Nod

Obelisk

Refinery

Airstrip

Not just interiors but walls aswell

The Nod tunnel part on C&C Complex is has been changed aswell but cant be asked with another screenshot.

Im pretty sure people including myself will be using Di3hardNL's Airstrip and Ref interiors but I have uploaded these ones in the pack anyway.

Enjoy

EDIT: If you don't want Nod Logos all over the Island tunnels then delete the file named "ref\_ramp".
