it was about time someone put di3hardcheatmaker in his place... he should be happy he isn't banned from anywhere for making all that shit

Dude you are right that these are advantage skins, the fact that I am not banned is because people respect what I am doing. What the fuck are you doing in a MOD forum since you only play pure? Because I know that you don't use any skins.

You can be lucky for not being banned already for swearing everywhere.
