Cabal8616 wrote on Sat, 07 March 2009 19:01Yeah, FBI has much more authority. They're basically modern day ninjas, except less killing. CIA is more security, FBI hunts people down.

What R3 said above^^

CIA hunts down people outside the US using not to legal ways sometimes. FBI is bound by rules/laws of countries as they're tied to the Justice department.

EDIT:

FBI has greater power, I agree, than any of those agencies.

Also, excuse the question: What's the ATF? :/ lol
Department of Alcohol, Tobacco and Firearms.
