reborn wrote on Sun, 08 March 2009 14:54I do not know of a released veteran system in the form of a plug-in. I know that wittlebolx released one that was tied into SSGM, and Hex released one that was removed. But that I know of, there was no formal release of a vet plugin with source code.
If there is, then it is not my intention to step on someones toes.

Hey reborn,

Good Job!! Do you mind if i look at it and combine this with the veteran i'm currently using?
Again nice work!
