Carrier has a point.

Why necro such a thread to spam in it when there is a whole section devoted to spam and a new thread can simply be made?

But at the same time it doesn't harm anyone either, but then, the rules are rules and should be enforced really.

Interestingly enough, since it's been unlocked 2 people have posted in it...why did you campaign for it to be opened if no-ones gonna post in it?

I say hall of fame it TBH.
