If there's another valid reason needed: so I don't need to read the spam in it every time.
IF YOU DONT WANT TO READ THE SPAM IN IT, WHY DONT YOU NOT CLICK ON THE TOPIC.

AS A GLOBAL MODERATOR IT IS KIND OF MY JOB TO READ AS MANY OF THE TOPICS THAT CAN CONTAIN SPAM, NO? IF I'D IGNORE TOPICS THAT MAY CONTAIN SPAM, THEN I'D DO A PRETTY BAD JOB AT BEING A MODERATOR, NO?

ALSO CAPS LOCK IS COOL.
