Well my problem with you is that you're a thief, you're banned from our other servers and it looked like you were this one too, MANY admin of our server don't want you banned, the rest don't care, and finally, and you obviously flame about people behind their backs. Just by that post you lost all respect from me, Scrin.

EDIT: Oh, and before I banned you in this screenshot I kicked you for already being banned, but no, you joined under a new nickname. Same IP. Anyway, if you want it lifted, discuss this over at ---> <http://www.renz0r.net/forum>

From now on I'll request new posts about this ban deleted on the grounds of server privacy.
