Heavy, unlike Troop, has had countless times to redeem himself. He has bypassed bans and tried to turn over a new leaf but keeps reverting back to his old self. Troop is annoying, I'll give you that, but he hasn't really been given many second chances. (Warnings and 1-2 week bans don't count.)

Not to mention the reasons Goz made this thread where because:

1. The community is who voted he should be banned.
2. Troop asked politely for a second chance.

He's not going to say "Well, since we are giving him a second chance, lets let someone completely unrelated have another chance as well."
