archerman wrote on Sat, 28 March 2009 05:10 We regret to inform you that we are forced to indefinitely suspend the FileFront site operations on March 30, 2009.

it says it will be suspended, not will be shut down permanently. but theres nothing to worry about if its really an early april 1st.

We regret to inform you that we are forced to indefinitely suspend the FileFront site operations on March 30, 2009.

There's that word that came before it.
