Wow you're so hilarious Scrin, you should do stand up!

So, basically, you hate the Renegade X project because I wouldn't give you our asset(s) a couple weeks ago. When you asked for me to give you our Ramjet model for your own personal use in C&C Renegade, did you really expect me to give it to you?

Here's your fucking Ramjet:

```
_____  
|_____( ) _____  
|-----|-----| ( ) |  
| ( ) |  
|-----|-----|_____|  
|||  
||
```
