EarThDay9 wrote on Fri, 03 April 2009 20:09 Well I don't have Renegade still installed and I have no idea where the CD is.. lol. So I'm trying to figure out my old favorite AOW Server so I can contact some old friends. I know it wasn't n00bstories, or n00bless, and I think it used to be ren-archive.com

Its very strange how there are many unused servers in the middle of the Advanced Game Listings nobody plays in them.
