My nose doesn't let me down. I was very surprised by the fact the poll always staid around 2-3 votes more yes than no. So I dug a bit further and found at least 8 nicknames, newly registered during the last week with the same IP (and most of them with the same real name "John" . This happens to be the same ip as our friend thefile, aka thrash300.

IP: 24.24.174.156 , permanent banned and no way in hell will he ever be let back in now!
