Uhh, no. Here's why:

Goztowl told him that he was allowed to use the forums but under a different nickname because his old account was bound to his old actions.

I know, it's hard to actually READ the previous posts, but it would save me time from having to prove that you rarely ever know what the fuck you're talking about.

Someone's got issues*.

*Not saying i was right, so don't start saying i'm being stubborn thinking i was right when obviously i was wrong.
