Di3HardNL wrote on Tue, 14 April 2009 13:51 A lot of people asked me if I was going to release the Nod Airstrip which I showed before. I answered NO all the time.

But now I see no reason why I should keep it for myself! Why would I make people jealous by showing video's without releasing it? It just doesn't make any sense

Most of the people will agree with me here I think

Well, enough talking for now. If you haven't seen my Airstrip modification you might want to check it out here :
