Oh. So NOW it's your cousin's son fault? You're pretty bad at lying. A believable lie would be something that's actually consistent. Any ways, I don't think there was really anything you could do about it to begin with, since you were stupid enough to post some pics WITH your cheats on. You're digging yourself a hole here.

Quote:Besides I needed to clean it up anyway thx, i had over 4 pages of ren pics.

And there wont be any more for this forum.No one cares.
