You haven't even used it, it's not even complete, so please explain what the fuck you are talking about.

i think he read all the posts above and was replying saying "No anti-cheat, My computer always crashes. I voted bug-fixes"

AT least that's how i read it.

yea sorry i didnt write it good kk rengard,rr,scripts,patches,biatch, anything with AC crashes my comp so take out the anti-cheat cause some one some how will find a way to get around it anyway so whats the point of it?
