You haven't even used it, it's not even complete, so please explain what the fuck you are talking about.

i think he read all the posts above and was replying saying "No anti-cheat, My computer always crashes. I voted bug-fixes"

AT least that's how i read it.

yea sorry i didnt write it good kk rengard,rr,scripts,patches,biatch, anything with AC crashes my comp so take out the anti-cheat cause some one some how will find a way to get around it anyway so whats the point of it?  
Haha. Mr. Positive.

You sure it doesn't crash your comp because you've something that you're not supposed to have?
