I don't really have a favourite youtube video. I normally watch the ones where people do something stupid and end up hurting themselves so I can laugh at their stupidity.

can do same shit, SHIT YE LUV THA WALK

Thats a joke... Friend of mine went down to the dominican last winter. He said a bunch of guys from France were there dressed all "gangsta" and trying to act tough. He said laughing at the posers was the most entertaining part of the trip!

I'm not a big fan of the whole gangster thing here in Canada and the US. That was the trend in the highschool I went to and it wasn't that big of a deal but those retards take it to another level...
