Dreganius wrote on Tue, 21 April 2009 22:44Nice to see you released this. I'm sorry but I just don't get the point of keeping things private. You're like "Yeah I have it and you don't." We either say "Well can we have it?" or "So what?" Either way it makes you look like a fool, but releasing things like this makes you a hero. So release more.

I use this now, it's nice.

You think the same as I do I keep releasing my stuff. Only not everything at once, otherwise people would get confused with what they have and what they don't
