If you are a muslim, then you should stop being one right now since you obviouly don't know the qur'an.

[40.70]Those who reject the Book and that with which We have sent Our Apostle; but they shall soon come to know,

[40.71] When the fetters and the chains shall be on their necks; they shall be dragged

[40.72] Into boiling water, then in the fire shall they be burned;

@Spoony: Before you spout blatent bullshit like that, consider that no one has found proof that God/Allah does or doesn't exist or that Muhammed couldn't write.

the quran has a lot of contradictions; while you can find violent passages like that easily, you can also find passages like the one that says that murdering someone is equivalent to murdering the entire population of the world (in the eyes of 'allah')

moral of the story - it's all bullshit
