Quote:ripping textures and tileing ur desktop with it is perfectly legal, i'm sure
That's right. I forgot to tell earlier that it isn't illegal for personal use, only when you release ripped stuff to the public or use it in games or mods you make it is!

YazooGang wrote on Wed, 29 April 2009 23:57You ripped stuff too man! i know it!
Uhm dude the stuff i used is in one of the packs of EA >.>

And even if i did read the above ^
As long as i don't release to public it isn't illegal.
