SSnipe wrote on Mon, 04 May 2009 00:12bottom line, Dont use rg

Reasons why:

- 1)Always fucks up
- 2)outdated
- 3)Its been by past
- 4)TT will make it ever more outdated and uesless
- 5)Servers usually have BIATCH
- 6) Really does more bad then good
- 7)(happens to me) but game is slower with rg then without

Once again no one use rg

- 1) not true, some people run it without much problems
 - 2) true
 - 3) true but by a limited amount of cheat(s)
 - 4) true, but TT had no estimated release date
 - 5) RG blocks more or different cheats than BIATCH. RG also has the potential to block all cheats, if it were updated
 - 6) Matter of opinion but I would agree with you on this one for the moment
 - 7) probably just a feeling you have
