madrackz wrote on Mon, 04 May 2009 12:09I hope RenX doesnt add that crap hud, i want the original one from Renegade

@ Fobby:

Although I don't think the new hud is crap, I did like the WIP of the upgraded classic hud you showcased a year ago. Do you plan to complete it and make it an option, or would you consider releasing the source material so that someone else could complete it and release it?
