I just got off the phone with an old friend who has spent years in AA, and he just told me that tonight he went to an SLAA?, is that right?, meeting that an ex gfriend turned him on to that people go to and talk about sex things.

Sure, i know what your all thinking, yeah right, its U renohol! But to be honest I wouldn't be caught dead in an AA meeting because i luv to drink!

Anyways, if this is not the right forum to ask about this please delete this post mods for the childrens sake, but if it is true, and u know anything about it, plz share...ty

ps, i am on my way to Google and Wik to see what 2 c
