when you press F8 in game there pop ups a box where you can type things like extras fnkqrrm or hud 0  
but  
my hud 0 command wont work when i type it  
there is just a message that i cant write things with this box  
(thats the reason why my last ss were so ugly)  
how i can fix it hope anybody knows it  
and here is a ss when you dont know what i mean.
