You are bastard who cant make models like this from scratch, but always get assets from others authors and tell to everyone - I'M AUTHOR! Go to HELL Scrin!

I'M ALREADY IN HELL, but first, show me my quote whare the hell i say' what its my model??? im not going to smile after that...!!!!

Maybe for your retardism i should release these tanks here as Renegade Mammoth Tank's replacement with final scene material??

p.s. Next time dont tell shit... deal?
