Goztow, I read your stickie and it still won't work, which is why I posted a thread. Perhaps I didn't make myself clear... I tried your nine easy steps when I couldn't get it to work the first couple times around and still, no success! I think it may be because it's on TFD and not just Renegade by itself. I dunno. That's why I'm asking for help.

Still open to any suggestions.
