This is wrong as i have done it myself so as for saying impossible or your incorrect way of spelling it (unpossible) lol, Nothing is impossible you just need to know how to do it is all.

Yes but if he does it then it will probably create new problems.

Anyway wait for him to post, for saberhawk wouldn't just deny something like this and say that it was entirely "unpossible"

Saberhawk must have his reasons for saying that it won't work
