2; Why does the middle screen above the MCT says Di3HardNL + your website? Even though  
you made it, it isn't really relevant in my personal opinion.

I loved your strip, im using that now, but i don't think i will use this simply because i don't want too  
see another player's name when im in the hon, doing whatever.  
I don't see anything wrong with signing your own work?
