sup with you ?

they stolen a silly crystal ? *Imao*

i want have your problems :rolleyes:

if they made their own crystal you maybe wont see a real differnce ... a crystel ... omg ... shoot em ... :rolleyes:

im sure they write a thx in the readme ...

thx to someone for the sounds

thx to someone for the musik

thx to someone for the betaserver

thx to ACK for the tiberium crystal

rofl

i think the mod is very brilliant ... you cant close your eyes ... i bet everyone here will play reborn
