You do realize that it's the principle of the item, not the item itself? Wow, it's just a crystal model... Wow, it's just a level they stole... Wow, it's just a bunch of vehicles they didn't make, wow, it's all this and that they didn't make...

When you don't hold people accountable for what they do, they'll do more of the same thing, just worse.

Apparently you're unaware of this, though. Kudos for blissful ignorance!

Also...

It's "thanks," not "thx."
