The lamp-posts take away from the dead theme of it all

And yes. It's MY skin... Don't start this shit again... *facepalm*

EDIT: I think it would be awesome if you'd make dust emitters for City, and if you had a version just for my skin I think it would be so awesome
Like, medium fog overlay weather, mid-day kinda time, with dust blowing about. That would be...
go-o-o-oooodly
