Hey everyone

Currently I'm working on a big project related to the game "Pandemonium!". I don't know if you people ever heard of it, but it was a game which you could play on PC, PSX, Saturn and Nokia N-Gage.

At this very moment I am trying to figure out what they are saying in the intro movie. Some words I can't hear very well, so I don't really know what they are actually saying there.

So, if some people would be so nice to help me out here, I would be very happy.

The video it's all about can be found here:
Pandemonium intro

The requested lines:

00:03 - 00:08

00:31 - 00:39

00:47 - 00:50

01:12 - 01:18

Well, that's about it.

Thanks in advance
