Subject: Road texturing question. Posted by YazooGang on Fri, 03 Jul 2009 22:39:41 GMT View Forum Message <> Reply to Message

Hey, i'm modding C&C City and first i need to retexture the w3d in 3ds max. So i started doing that and i got stuck.

While i was texturing the road, i has to turn the texture. So, i didnt know how to because i'm not a texturer or anything like that.

Here is a pic of the situation.

sorry, screen resolution
