Goztow wrote on Mon, 06 July 2009 10:22I like a lot what you did with the map itself! The tunnels are nice as well. I really don't like the buildings: they just don't look right IMO, but they aren't yours and I suppose you didn't include them?

May I also note the advantage hud doesn't make you look good.

The buildings are NOT a part of the map!
and i dont see the hud as a advantage
