reborn wrote on Tue, 07 July 2009 01:11 So how's it going?

I have not gotten far, honestly summers been busy. im on like page 20 something, not far at all, but im start reading it soon, but learning Spanish, summer school, my new job, summer chores, and my girl & the gym, have been keeping my busy, i have not done c++ nor Spanish in over a week....so once i get my new job schedule, im find a way to fit it all in since as of this whole week my whole week was unpredictable
