Hello, this is Socrates.

This user was kind enough to revive me from the dead and let me use his account to type this message.

I do indeed desire now to share with you know a philosophical that I have long pondered, but believe that I may have finally perfected. It is insightful, yet it also informative.

"STfU N00BlesZ!12@#"

I bid you thanks for allowing me to consume this time from your day, and certainly do hope that day has a good conclusion.

Socrates
