Mine's a 15-20 min bike ride through a neighborhood, then the side of a road and across a busy intersection. Can't really record it.

The funny thing is, I'm a conservative and am much more green than a few liberals I know. It may be to the fact that I won't have my license until I'm 18 though... Which is 2 month 27ish days away. On that day, I will get a pack of cigarettes, and a playboy, and my license that weekend.
