Dreganius wrote on Fri, 07 August 2009 13:33Scrin's Nod APC is actually one I made. Please keep that in mind. He simply edited out many things.

Also, keep an eye on this thread cos I'll be releasing a Nod C&C3 APC soon.

I look forward to the apc release do you have apache,transport & Harvy C&C3 Skins they look great & it would be good to have the complete set.
