Gen\_Blacky wrote on Sun, 09 August 2009 21:29i never liked liquid cooling  
hey fuck you!

if and when i get a better computer i'm definitely getting liquid cooling because you don't really  
have to worry about fans and it's cool!1

Homey also told me that pee works so it's not like you're going to run out of liquid to cool your  
computer
